AFFIDAVIT OF JOHN CHRISTENSEN

STATE OF NEW YORK )

JOHN CHRISTENSEN, being duly sworn, deposes and says:

1. I am a principal in Christensen Design Group, Ltd. ("Christensen"), an  
interior decoration and design firm located in New York City.

2. In or about April 1996, Mr. Viktor Kozeny retained Christensen to provide interior decoration and design services. We performed this work during the period from April 1996 through late 1998.

3. The principal work performed for Mr. and Mrs. Kozeny was to purchase furnishings, refurbish certain of those furnishings and direct the installation of those furnishings at Mr. and Mrs. Kozeny's homes in Aspen, Colorado and London, England (the "London and Aspen homes").

4. In performing this work, Christensen at all times took its directions from Mr. and Mrs. Kozeny. The work included acquiring furniture, reupholstering certain of the furniture, acquiring fixtures, acquiring wallcoverings and acquiring fabrics and other materials for installation at the Aspen and London homes. Once these items were ready for delivery, Mr. Kozeny would instruct Christensen where the items should be delivered. Most of the items were delivered to the Aspen home, although a large number were delivered to the London home. A percentage was delivered to a warehouse in Massachusetts.

5. As is common in the design industry, Christensen used a code name, "Turnstar Project," to purchase these items for Mr. and Mrs. Kozeny. This code name was used to protect the confidentiality of Mr. and Mrs. Kozeny. At all times, I understood that Mr. Kozeny was directing the work and that the purchases were being made on their behalf.

6. Periodically, Christensen would send invoices for the work done on the Aspen and London homes to an address designated by Mr. Kozeny. The address used for the

488339.1

invoices was: Turnstar Ltd., P.O. Box N-777, E.P. Taylor Drive, Lyford Cay, Nassau, Bahamas.

Attached as Exhibit A hereto, is one of the invoices rendered by Christensen for this project.

7. Under Christensen's arrangement with Mr. Kozeny, Mr. Kozeny periodically paid these invoices by wire transfer. On most occasions, the transfer details referred only to an account number. On one occasion, the funds transfer noted the name of the sender as "Minaret." The purpose of these funds transfers was to pay for the interior design and decoration work at the Aspen and London homes.

8. The total payments made to Christensen for the work done on behalf of Mr. and Mrs. Kozeny was in excess of \$7 million. There is still a significant balance owed to Christensen.
